

SCHOOL REPORT BOOK

The school report book is the official document that accompanies each pupil throughout their compulsory schooling. It is a clear and continuous record of all information and decisions resulting from the assessment of their learning.

The school report book contains all the reports produced at the various stages of the pupil's pathway (promotion, orientation, reorientation and certification). These reports are the official record of school results and decisions about the pupil's pathway during their compulsory schooling.

Official information on school assessment and decisions

The rules in force on pupil learning assessments (borderline cases, special circumstances, appeals, etc.) are available at the following address:
