Lausanne, September 2020

Dear Sir or Madam,

Your child will soon complete his/her compulsory schooling and will soon have to make certain choices regarding the future.

To help both you and your child in making these decisions and taking the necessary steps, there is a qualified **psychologist-career councillor** on hand in the school. He/she will be visiting your child's class to begin or continue work with the students in the framework of the guidance process. Your child will be offered individual interviews, which you are very welcome to attend.

At the same time, we invite you to use the various **information resources** available to support your child in taking these important steps:

- Job information sessions (Info-Métiers) (programme enclosed)
- The Occupation and Further/Higher Education exhibition (Salon des métiers et de la formation) on 24.11 – 29.11. 2020
- The Information Centre on academic programmes and professions (CIEP) in your area
- The leaflet: "Parents, votre rôle dans l'orientation de votre enfant" (Parents, your role in your child's choice of direction) (enclosed)
- The leaflet: "Un stage, pour quoi faire ? Guide à l'usage des parents" (An internship? To do what afterwards? Guide for parents) (enclosed)
- The website www.vd.ch/orientation
