

To whom it may concern

Lausanne, June 2023

## Are you still seeking a solution for the coming academic year?

Dear parents,

Has your child now completed their compulsory schooling but not yet found an apprenticeship or gained sufficient points for an upper secondary school or a bridge year? Come for a meeting with their careers adviser to discuss the next step, such as a transitional measure (Ecole de la transition, SeMo) which will help your child to find an apprenticeship.

### 1. What is a transitional measure?

To find out about transitional measures, visit our website

by clicking on this link ► [www.vd.ch/transition](http://www.vd.ch/transition)

### 2. How do we sign up for a transitional measure?

Registration for transitional measures takes place during an interview with a careers adviser.

1. **From 19 June to 7 July 2023**, you can have an interview with the careers adviser at your child's school. Call the number on the letter you have received in French.
2. **From 9 July 2023**, you can have an interview with the careers adviser at the regional guidance centre. Call the number on the letter you have received in French or book an appointment online: [www.vd.ch/transition](http://www.vd.ch/transition).

Your child should bring the following to their interview:

- A copy of their latest school report
- Their CV (curriculum vitae)

**Parents are strongly encouraged to attend!**

Thank you for your attention to this letter.  
Kind regards,

Office cantonal d'orientation scolaire  
et professionnelle
