

Ref. : ESa/JV/est

To the parents of

Lausanne, 18 March 2019

Dear Parents,

Next July your child will be completing compulsory education. If he or she is currently without a confirmed training solution to pursue a career (apprenticeship, course of study or other plan), we recommend that you take the following steps:

- Continue to support your child in looking for an apprenticeship placement. The website www.vd.ch/orientation ► *Chercher une place d'apprentissage* provides information on the procedure to be followed and publishes the places available for the start of the new apprenticeship year 2019.
- If your child's chances of obtaining a training placement appear limited to you, it is possible to apply for the child's admission to an aid and support measure. These full-time measures will enable him or her to develop his or her professional, personal and social skills and to maintain his or her academic knowledge in order to prepare his or her entry into an apprenticeship.

If you wish to make an application for admission to an aid and support measure (Mesure de Transition 1), you should:

- 1) Complete the form "Mesures de transition 1, Demande d'admission 2019" available on the website www.vd.ch/orientation ►

- 2) Deliver the completed application, with the required attachments, to the class teacher by

Friday, 5 April 2019, at the latest.

If you have any questions about your child's training plan, a career guidance counsellor is available at every school.

We thank you for your attention to the above.

Yours sincerely,

Centre OSP
